O: 508-799-2857 x 11

Safety Trainers is providing the information to assist our clients in connecting with PPE suppliers. Safety Trainers makes no representations about the products or services listed. We have not vet each supplier. Some we have used, others we have not. Safety Trainers clients have been asking for PPE suppliers whose prices are “reasonable” and delivery times are sooner than later. We recommend that you contact several providers and compare prices, products and delivery times.
